The letter “c” has two sounds “k” and “s”.

The letter “c” will always say “s” when followed by an “e”, “i” or “y”.

- ce – once, centurion
- ci – city, circular
- cy – cycle, vagrancy

This rule helps with reading and spelling over 5000 words!!!

**COMPETITION:** How many words can you think of that contain the “c” as “s” sound? Sort your list into the three different endings?

Email your sorted lists to Mrs D by Sunday evening. The student with the longest correct list wins a prize, which will be awarded at morning assembly next week!
